

# OFYR GRILL ROUND 85 & 100

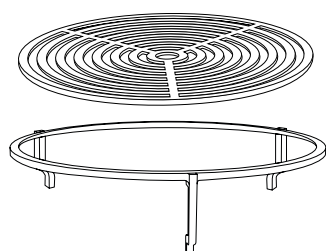

This sturdy two-piece grill is ideal for cooking larger cuts of meat on the OFYR cooking unit. Place the grill and stand directly over the flames for a chargrilled taste. OFYR's cooking plate remains unobstructed so you can cook other dishes at the same time, and with the stand in place even adding more wood to the fire is easy. Available for the 85 cm and 100 cm models.
